

To All SLMH Members:

The Ontario Hockey Federation (OHF) has been working with Hockey Canada on the implementation of Rowan's Law since the adoption of the Rowan's Law Concussion Safety on March 7, 2018. The OHF is in full support of the intent of Rowan's Law to create awareness of concussion, change the culture on concussion and provide safe sport participation.

The OHF was informed by the Ministry of Tourism Culture and Sport that the Rowan's Law Act and Regulations must be implemented. Therefore, every Player, Team Official and On-Ice Official (parent as well if individual under 18) in order to register/participate must review the OHF Concussion Code of Conduct and the appropriate Concussion Awareness Resources.

SLMH has been informed by the OHF that this is **mandatory** for all to register/participate. Every player/child, parent & Team Official must complete this form for their team to be provided an approved roster.

Failure to do, will result in your team not receiving their approved roster, meaning they will not be allowed to participate in on-ice activities.

**The Rowan's Law Form must be completed prior to September 30, 2019**

SLMH Executive appreciates all member's understanding of the need to complete this as it directly effects the safety of all participants. As well, the urgency to complete this to ensure everyone is able to participate in on-ice activities without delay. Should you have any questions, please do not hesitate to contact me
