total money already paid out from
ref/timekeeper sheets

Use this sheet after paying refs & timekeepers after each game to check:

- 1 - the money you have before each game (A)
- 2 - the money you have remaining in float (B)
- 3 - money already paid out to ref's & timekeepers from sheets(C)
- 4 - adds up to your original float amount

This ensures that:

- No money is missing
- Everything adds up
- You're keeping accurate records

Threshold: if you go below \$100 cash remaining pls contact:
