

Shallow Lake Minor Hockey Registration for 2022-23 Season Opens June 1

Please read this document carefully. By registering with Shallow Lake Minor Hockey you are accepting the terms and conditions of registration set out below.

Players will be accepted on all teams on the basis of who registers and pays first. Team and player numbers are often limited, to ensure quality and fair play. In rare circumstances and subject to Player numbers and available teams, we may not be able to offer spots on teams to all registrants.

Money will be refunded if this happens. Where player numbers approach applicable team caps, a waiting list will be created until such time as a sufficient number of players justify adding a further team.
